LEARN LOCAL

DISCOVER HORTICULTURE

At Wild Food Farm

If you enjoy working in a hands-on environment or putting your practical skills to the test, then this course is for you! This exciting 7-week course held at Wild Food Farm with an expert horticulturist, will provide you valuable skills in plant growth, soils, machinery operation and disease control, establishing and maintaining garden beds and experiencing everything the horticulture industry has to offer in a fun and practical environment.

You'll also develop the ability to identify, select, cultivate appropriate varieties of Australian native plants.

Starts: Wednesday March 2 Time: 10am-1pm

Duration: 7 consecutive Wednesdays

Bookings: trybooking.com/865407 or at reception

A TASTE OF HOSPITALITY

At Wild Food Farm

Getting your start in the hospitality industry is made simple with this introductory course at Wild Food Farm. From farm gate to back paddock, showcasing the potential of Australia's amazing variety herbs, spices, fruits, and berries, you'll learn at one of Victoria's most unique hospitality venues with a distinctive native food influence.

This course provides detailed training in a range of hospitality operational skills including basic food and beverage service and what it takes to work in hospitality.

Starts: Thursday March 3

Time: 10am-3pm

Duration: 3 weeks - March 3, 4, 10, 11 and 17

Bookings: trybooking.com/865383 or at reception

COMPUTERS FOR BEGINNERS

with Lynne Saunders

Experienced tutor, Lynne Saunders, will walk you through basic computer skills, email and the internet. Each week you will be guided through a new process and an opportunity for one-on-one tuition in order to build your confidence and skill set.

This course is perfect for adults with little or no previous computer experience, or those wanting to expand their skills in a supportive environment.

Starts Monday Feb 28

Time: 1pm - 4pm

Duration: 7 consecutive Mondays

Bookings: trybooking.com/864901 or at reception

BEYOND BASICS COMPUTER SKILLS

with Ajanta Judd

Enhance your knowledge of the digital world! Topics include creating and sharing files, using internet browsers and search engines, Zoom, digital footprint and social media basics.

Build on your existing knowledge and confidence gained from our Computers for Beginners course to develop further skills in Windows, Microsoft Word, Google, file management, online banking and buying plus general computer use. This course will also have a strong focus on how to navigate the internet safely and securely.

Starts: Monday February 28

Time: 9am-11am

Duration: 7 consecutive Mondays

Bookings: trybooking.com/865365 or at reception

KNOW YOUR SMART DEVICE

with Ajanta Judd

Today, some of the most important devices that can help you with your life are a smart phone, iPad, or tablet. If you already have one of these devices, then you will know how important they are for connectivity, efficiency, functionality, and entertainment. Smart phones have also been central to our response to the pandemic, such as check-in apps and providing digital proof of vaccination certificates.

Tech wiz, Ajanta Judd, will show you how to make the most of your smart phone, iPad, or tablet. Topics covered include, finding the right phone and phone plan, data, apps, security, differences between Apple and Android settings.

Starts: Friday March 4

Time: 1pm-3pm

Duration: 7 consecutive Fridays

Bookings: trybooking.com/865369 or at reception

MARKETING FOR SMALL BUSINESS

with Ajanta Judd

Join facilitator, Ajanta Judd, for this short course that will enhance your ability to implement marketing strategies that get results for your business. You will learn to use various social media, website and graphic design platforms, as well as how to ensure your marketing efforts go further in traditional offline advertising channels.

Identify and examine your target markets/audiences; create compelling branding; up-skill with social media, website design and graphic design platforms; develop strategies for offline and online marketing; learn how to engage your customers through targeted communications and develop a marketing strategy and plan.

Starts: Wednesday March 2

Time: 6pm-8pm

Duration: 7 consecutive Wednesdays

Bookings: trybooking.com/864907 or at reception

LEARN LOCAL FEE
