## SMART DEVICE TIPS AND TRICKS

with Ajanta Judd

These days, some of the most important devices that can help you with everyday life are a smart phone, iPad, or tablet. If you already have one of these devices, then you will know how important they are for connectivity, efficiency, functionality, and entertainment. Smart phones have also been central to our response to the Covid pandemic, such as check-in apps and providing digital proof of vaccination certificates.

Ajanta will help you problem solve and show you how to make the most of your smart phone, iPad, or tablet. Topics covered include, finding the right phone and phone plan, data, apps, security, differences between Apple and Android settings.

Starts: Tuesday August 9                      Time: 2pm-4pm  
Duration: 7 consecutive Tuesdays  
Bookings: [trybooking.com/933947](https://trybooking.com/933947) or at reception

*Please note: All classes are suitable for students using Apple/Mac/iPhone and PC/Tablet/Android*
